

AR COIL 311010

ON THE COVER

The cover features objects associated with the University's graduates and commencement, including a diploma, the mace carried by the chief marshal, a doctoral hood, a cap and tassel, a student's invitation, a senior ring, and a medallion commemorating the 100th anniversary of the National Association of State Universitites and Land Grant Colleges. Former U.S. Senator J. William Fulbright today is being presented this medallion in recognition of his selection as the Centennial Alumnus of the University of Arkansas.

The words, "1988 COMMENCEMENT," were sandblasted by the "Senior Sand Hog," a device conceived and built by UA Physical Plant employees. It is used to place graduates' names on Senior Walk.

SENIOR WALK

Senior Walk is a landmark and much loved tradition at the University of Arkansas, Fayetteville. Visitors to the campus come often to seek the names of their family members and friends on a sidewalk unique to America—one that bears the names of all its graduates.

To add warmth to an already special tradition, this year's graduates are being invited to Homecoming on November 12 to see their names etched in the 1988 Senior Walk. This event will punctuate the University's firm commitment to bring the walks up to date in the next ten years by completing two classes each year.

The Senior Walk begins at the east entrance to Old Main, the oldest building on campus. Well over a mile of senior sidewalks connect the campus buildings.

The number of University graduates has grown from nine in 1876 to almost 3,000 this year. The task, which once took a few students an afternoon's work, began to consume days of effort and large work crews.

But now, with the "Senior Sand Hog," an invention designed and built by Physical Plant staff members, the tradition has become more manageable. The sandblasting machine has reduced the cost and speeded up the process of placing the names in the sidewalks.

Commencement Speaker

Hillary Rodham Clinton

Hillary Rodham Clinton, first lady of Arkansas and well-known advocate for better education, has achieved a national reputation as a young leader in her own right and as a first lady of outstanding accomplishments.

In addition to her achievements on behalf of education and children's civil rights, Mrs. Clinton is a partner in the Rose Law Firm in Little Rock.

Since assuming leadership of the Arkansas Education Standards Committee in 1983, she has been at the forefront of the state's efforts to reform the public schools.

She furthers her interest in youth by heading the Children's Defense Fund (CDF) in Washington, D.C. The CDF works to change policies that allow the neglect or mistreatment of children. The Fund also engages in public education and the drafting of legislation on behalf of children.

Mrs. Clinton is the founder of the Arkansas Advocates for Children and Families. She also chairs the Board of Directors of the New World Foundation, which funds organizations that promote peace, quality education, racial understanding, and the public health and safety.

Mrs. Clinton is chairperson of the American Bar Association's Commission on Women in the Profession, and she is a member of the Board of Directors of the Legal Services Corporation and the Child Care Action Campaign.

She is a member of the Southern Regional Education Board's Commission on Quality Education and serves on the Grant Foundation Commission on Youth and America's Future.

Mrs. Clinton was an assistant professor of law at the University's School of Law from 1974 to 1977. She has published several articles on education and children's rights. She graduated with high honors from Wellesley College and received her law degree from Yale University.

The University Mace and Batons

The mace and batons are symbols of the authority and history of the University and are made from newel posts from the original main staircase of Old Main, erected in 1875, the oldest University building now standing. The batons are carried by members of the faculty who have served as chairs of the Campus Council or the Campus Faculty. The mace is carried by the chief marshal, who is the current chair of the Campus Faculty.

Marshals' Gowns

The gowns worn by the marshals are of the traditional University color, cardinal red.

Honor Stoles

White or cardinal stoles denote students who are candidates for University honors. White represents High Honors (summa cum laude) and cardinal represents Honors (cum laude).

Academic Regalia

The styles of gowns differentiate degree level. Trim of doctoral gowns indicates nature of degree (black or dark blue—Ph.D.; light blue—Ed.D.). Certain members of the faculty wear distinctive gowns and hoods authorized by their doctoral institutions. The lining of the hoods denotes the color(s) of the institution awarding the degree. The official colors of the University of Arkansas are cardinal and white.

The color of the velvet band around the hood designates the academic degree of the wearer. Some examples are listed below:

| Agriculture | Maize | Medicine | Green |
|-------------------------|----------------|-----------------------|---------------|
| Architecture | Blue Violet | Music | Pink |
| Arts and Letters | White | Nursing | Apricot |
| Business and Bus. Admir | n. <i>Drab</i> | Pharmacy | Solid Green |

The University Song

In 1909 a prize of fifty dollars was offered for the best poem relating to the University of Arkansas which should be capable of being set to music and used as a college song. Out of many entries, that of Mr. Brodie Payne, '06, of Hot Springs won the prize. The words were set to music by Professor H. D. Tovey, Director of the Conservatory of Music and Art at the University.

Alma Mater

Pure as the dawn on the brow of thy beauty Watches thy soul from the mountains of God Over the Fates of thy children departed Far from the land where their footsteps have trod. Beacon of Hope in the ways dreary lighted; Pride of our hearts that are loyal and true; From those who adore unto one who adores us—Mother of Mothers, we sing unto you.

We, with our faces turned high to the Eastward Proud of our place in the vanguard of Truth, Will sing unto thee a new song of thanksgiving—Honor to God and the Springtime of Youth. Shout for the victor or tear for the vanquished; Sunshine or tempest thy heart is e'er true; Pride of the hills and the white-laden Lowlands—Mother of Mothers, we kneel until you.

Ever the Legions of Sin will assail us,
Even the Battle in Cities afar;
Still in the depths will thy Spirit eternal
Beckon us on like a piloting Star.
Down the dim years do thy dead children call thee,
Wafted to sleep while the Springtime was new;
We, of the Present, thy Hope of the future—
Mother of Mothers, we pray unto you.

Honorary Degree Commendation

Representative Claude D. Pepper

United States Representative Claude D. Pepper from Florida, who is perhaps most closely identified politically with issues involving aging, is receiving the University's honorary degree of Doctor of Laws.

An attorney, he graduated with an A.B. degree from the University of Alabama in 1921 and earned his law degree from Harvard in 1924. Upon completing his law degree, Pepper taught law at the University of Arkansas in 1924 and 1925. He moved to Florida in 1925 and entered private practice until he was elected in 1929 to the Florida House of Representatives. Pepper's brief stint in the Florida legislature led to his involvement with several Florida democratic, state, and legal boards and committees.

In 1936, Pepper was elected to the United States Senate, where he served until 1951. During his term in the Senate, he served on several committees, including the Senate Foreign Relations Committee and the Committee on Military Affairs.

Running unsuccessfully for re-election in 1950 and again in 1958, Pepper turned his sights to the House of Representatives. Elected from Florida's third congressional district in 1962, Pepper has been in the House for 26 years and has served as chairman of the powerful House Rules Committee and the Select Committees on Crime and Aging.

Pepper was married for almost 43 years to the late Mildred Irene Webster, who died in 1979.

Honorary Degree Commendation

Louis L. Ramsay

Louis L. Ramsay, a leader in Arkansas law, banking, and higher education, is receiving the honorary degree of Doctor of Laws. Ramsay's career and public interests span three diverse areas, and he provides enthusiastic leadership in each of them.

As an undergraduate at the University in 1940 and 1941, Ramsay was the Razorback quarterback. His studies were interrupted by World War II when he entered the Army Air Corps as a pilot. He was discharged with the rank of major and then enrolled in the UA Law School, completing his degree in 1947.

Currently, Ramsay is chairman of the executive committee of Simmons First National Bank of Pine Bluff. From 1971 to 1981, he was a member of the UA Board of Trustees, serving as chairman for three years. Ramsay has also served as chairman of the Board of Directors of the University of Arkansas Foundation, a post he held from 1981 to 1988.

Ramsay has been active on various higher education committees and boards for many years. He was appointed to the Cabinet Committee on Education by President Richard Nixon and has served on the Board of Visitors for the University of Arkansas at Little Rock and the Board of Trustees of the University of Arkansas at Pine Bluff.

Ramsay is the only person in state history to serve as president of the Arkansas Bar Association and the Arkansas Bankers Association. He has also been president of the University of Arkansas Alumni Association, University of Arkansas Endowment and Trust Fund, and chairman of the Arkansas Sesquicentennial Celebration Commission.

A Fordyce native, Ramsay is married to Joy Bond Ramsay. He is the father of two children, Joy Ramsay Blankenship and Richard L. Ramsay.

Distinguished Alumnus Citation - Posthumous

William R. Overton (B.A. - 1962; J.D. - 1964)

The late federal Judge William R. Overton of Little Rock gained world attention in 1982 when he struck down the state "creation-science" law. It was his determination that the state "creation-science" law was an unconstitutional effort to teach religion in public schools in the guise of science.

Judge Overton was praised by observers of the trial for keeping it on the proper legal tracks and not allowing irrelevant issues to intrude.

Overton died in 1987 at the age of 47. He was a native of Malvern and attended public schools there.

He received his bachelor of arts degree in 1962 and his law degree in 1964, both from the University of Arkansas, Fayetteville. As a law student, he was editor-in-chief of the *Arkansas Law Review*.

In 1964 he married the former Susan Linebarger, and they had two sons, William Ford Overton and Warren Webster Overton of Little Rock.

After graduation, he practiced law with a Little Rock law firm and was appointed United States District Judge for the Eastern District of Arkansas by President Jimmy Carter in 1979.

In 1976 he was selected as a Fellow of the International Academy of Trial Lawyers, an invitational bar association with membership limited to 500 worldwide.

Overton was selected outstanding alumnus of the UA School of Law in 1984.

Distinguished Alumna Citation

Donna Axum Whitworth (B.A. - 1966; M.A. - 1969)

Donna Axum Whitworth of Bartlesville, Oklahoma, is a public relations consultant. As a student at the University of Arkansas, Fayetteville, Whitworth's interests were communications, speech, and drama. Her career began with a considerable amount of attention when she won the Miss Arkansas and Miss America titles in 1964.

Whitworth received her bachelor of arts degree in 1966 and her master of arts degree in 1969, both from the University of Arkansas, Fayetteville.

She is married to J. Bryan Whitworth, an executive with Phillips Petroleum Company in Bartlesville. She has two children: Lisa Mutscher, age 22, a 1988 graduate of the UA, Fayetteville, and Gus Hurley Mutscher, age 17.

For 12 years, Whitworth has worked as a motivational speaker and corporate public relations consultant. She is executive director of d'Saison Creative Colour, Inc., a Houston firm.

Also an entertainer, Whitworth has over the past 25 years emceed and sung at more than 150 local and state Miss America preliminary pageants throughout the nation. She has worked as a producer and televison talk show hostess for several Texas and Arkansas stations.

Whitworth's civic activities include membership on the Bartlesville Symphony Orchestra board of directors; Women & Children in Crisis, Inc., board of directors; Donna Nigh Foundation for Oklahoma Mental Retardation board of directors; and UA National Development Council. Whitworth is president of the Bartlesville alumnae chapter of Delta Delta.

Centennial Alumnus

J. William Fulbright U.S. Senator (1945-1974)

The actions and ideals of J. William Fulbright as U.S. Senator from Arkansas for almost three decades place him at the forefront of America's statesmen-philosophers.

Senator Fulbright is regarded as the most influential legislator in the field of foreign relations ever to have served in the U.S. Senate. His unique foresight and interpretation of true internationalism made him the leading opponent of the nation's participation in the Vietnam War. As author of the Fulbright Resolution, he laid the groundwork for support of the United Nations.

The first Rhodes Scholar in the Senate, Fulbright also formulated the legislation establishing the Fulbright International Student Exchange. In doing so, he brought into being what has been described as the greatest movement of scholars across the face of the earth since the fall of Constantinople.

Having spent 15 years at the University of Arkansas, including his service as a lecturer and president (1939-1941), Fulbright exemplifies the spirit of liberal learning. In honor of his career and belief in education, the liberal arts college at the University was dedicated the J. William Fulbright College of Art and Sciences in 1982. He received an honorary degree from the University in 1964 and was named Distinguished Alumnus by the Arkansas Alumni Association.

Senator Fulbright is recognized as the University's Centennial Alumnus. Marking the 100th anniversary of the National Association of State Universities and Land-Grant Colleges, the University selected Fulbright as the alumnus to honor for outstanding contributions and character.

He was married for 53 years to the late Elizabeth Williams, who died in 1985. The Senator has two daughters, Elizabeth Winnacker of Columbia, Mo. and Roberta Foote of Miami, Fla. Senator Fulbright practices law and resides in Washington, D.C.
